Imperial College

NURTURING TOMORROW'S LEADERS

Why Choose CIMA ?

CIMA - Chartered Institute of Management Accountants is the most relevant international accounting qualification for business and the world's leading and largest professional body of Management Accountants.

To stand out from the competition, you must have the right qualification

CIMA members are not just number crunching accountants. CIMA teaches you Strategic Business and Management skills. This means you are qualified to work across an organisation and not just in finance.

Local and Global Recognition

CIMA is recognised by employers as a global quality standard in Management Accounting, making CIMA students and members the first choice for employers not only in Sri Lanka but around the world.

LEARNING QUALITY PARTNER

“

One of the reasons I chose to study at Imperial College was that I have found advanced teaching facilities and supportive lecturers who helped me learn the fundamentals of CIMA from the foundation level. ” – *Yogini Yoganantham*

“

The teaching & learning facilities are indeed first-class. The less formal setting and environment have enhanced my Management Accounting studies. Imperial College really boosted my motivation to study. ” – *Hisham Jiffrey*

“

I have made great friends since I first started my foundation course. I am also pleased to say that the good quality education at Imperial College enabled me to receive a Sri Lankan prize. ” – *Ashani Amarasinghe*
