

# My Friends. My Future. My Institute.

## PERFECT FOUNDATION

### What is CIMA?

A professional body with its origins in UK, the Chartered Institute of Management Accountants is gradually becoming the first choice for students and employers as an internationally recognized professional qualification with a strong business focus.

Having the highest number of student enrolments with the minimum age limit of 16 years, a CIMA qualification will give you a fantastic career prospects and high earning potential. With many CIMA members holding some of the most senior positions in both private and public sectors in Sri Lanka, it could be your passport to global employment opportunities.

Imperial College of Business Studies (ICBS) has a long history going back to 1985 when it was known as CBS, which was a pioneer in CIMA education in Sri Lanka.

### 10 Reasons why CIMA works best at Imperial College.....

1 You will learn from the best of seasoned CIMA gurus who are academically qualified, possessing several years of hand on experience in industry to ensure individual attention to all students.

2 Assured coverage of syllabus well ahead of examinations, in addition to intensive revision programmes and mock examinations to gear you for the final exams

3 You will be provided with customized course material for every subject.

4 A world class college atmosphere with air conditioned, comfortable class rooms / lecture halls and a fully equipped computer lab.

5 Our objective is to prepare you not only for examinations but also for a great career ahead. Our job bank will provide you with unlimited career opportunities.

6 We expose you to ample outbound experience fortifying your theoretical knowledge with practical edge.

7 We encourage a friendly student environment and foster student faculty relationships enabling you to approach every lecture with ease.

8 Classroom activities will enable mutual exchange of innovative ideas whilst giving you an opportunity to voice your opinion, making you an excellent team player

9 Providing you opportunities to engage in a variety of extra curricular activities such as sports and aesthetics, exposing you to the true spirit of university life.

10 We believe in nurturing tomorrow's leaders. Corporate events such as leadership forums will provide you the chance of meeting some of the top notch corporate achievers offering you a balanced learning environment essential in building qualities of successful business leaders of right values, self confidence and organizational skills.
